

CHOICELUNCH to serve Hillsborough City School District in the 2014-15 school year

We are excited to serve the families of **Hillsborough City School District** and we hope you are too. We thank you and appreciate your business. For over 10 years now, ChoiCELUNCH has been serving up the best school lunches in the Bay Area and the state, by offering families wholesome food choices using locally-sourced, all-natural and organic ingredients such as seasonal fruits and veggies, antibiotic and hormone-free meats, and 100% whole-grain breads baked daily. If it's in our fruit and veggie bin and it's on the Dirty Dozen list, it's either organic or confirmed pesticide-free from the source. We have nothing to hide and our parents have access to the nutritional analysis and allergen information online. Our program and facility is 100% nut free and our menu offers your children 16 entrée choices per day (4 hot and 12 cold) made fresh in our kitchens daily. At school, ChoiCELUNCH kids are empowered to make healthy choices from our daily assortment of fresh fruits and vegetables, healthy snacks, and drinks (milk, H2O, juice). Our menu always provides for children that are vegetarian or require meals that are free of the top 8 allergies including gluten free and dairy free.

Constantly innovating, we were the first company to develop an *iPhone* app for parents to order, cancel, and filter allergens for their children's lunches! Coming this year we will be releasing an Android app as well!
